

BLOOM WHERE YOU ARE PLANTED

Date: 16th October 2024

We are excited to inform you that the school is organizing a **Plantation Drive** for our kindergarten students. This initiative is a part of our effort to educate children about the importance of nature and taking care of the environment.

We kindly request parents to send the following items with their child:

- ✓ Each child has to bring a small sapling (preferably a fruit/vegetable or flowering plant) to be planted in school on **16th October 2024**.
- ✓ Through this activity, our little ones will get hands-on experience with planting and learn the value of nurturing plants.

We look forward to your support and participation in making this event a memorable experience for the children. We hope that all parents will support this initiative by sending a small sapling to plant in the school.
